

# Scouts in Action Month 2014

## Joey Scout Programs and Activities

### **MAKING A CARING FOR OTHERS MURAL**

Equipment: Paper, magazines, glue, scissors

Method: Have the Joey scouts search magazines for a picture of people helping and caring for others.  
Cut these out carefully and glue these to a chart which makes the mural.  
When the small group's task is nearing completion discuss whether there were any difficulties in sharing materials and whether everyone was able to contribute.
