

Scouts in Action Month 2014

Venturer Scout Programs and Activities

Showing assertive Responses

Visit this resource

<http://eyesonbullying.org/pdfs/toolkit.pdf>

Read the explanations of bullying. Remember we do not label people as bullies – it is the behaviour that is bullying – not the person.

Same with victim – it is the behaviour. Our aim is to teach resilience and to learn about assertive responses to bullying behaviour.

Find two or three word pictures/ sayings off the web that can help Scouts make positive responses to bullying behaviour when someone tries to put them down or make them feel bad.
